

Definition of Done

Product Name: BSOE Course Scheduler WebApp

Team Name: TEAM TEAM

Date: 10/10/2021

Team Members: Andriy Bondar, Arthur Weimholt, Shiyuan Huang, Nathanael Chow, Harmmeet Sohal

Definition of “IN PROGRESS”

- User Story Task is “IN PROGRESS” when someone has written their name next to the task in the Trello Scrum Board and has moved it into the “IN PROGRESS” section and has alerted the team by sending a message in the Slack “scrumboard-update” channel.

Definition of “DONE”

- User Story Task is considered “DONE” when the feature is implemented and tested thoroughly by the developer and has passed the code on to the Product Owner who needs to give the thumbs up after the integration and testing is done on his side.
